Jones to Bishop Memo

JAMES EARL RAY

MURKIN

On 6/4/68, Deputy U. S. Marshal Puskal Bowser made available to SA Lear an army photo taken on 10/22/67 at the Pentagon following anti-Vietnam demonstrations. Photo shows various writings on wall of Pentagon, one of which is, "Who is John Galt?" Mr. Bowser didn't know significance of writing, if any, but wanted to bring it to attention of FBI because of name "Galt."
